## Tips for class

- Wear your favorite pj's
- Ensure your "dance space" gives your little dancer enough space to move around in
- Have your little one's name listed for the class (to do this click "participants" icon at the bottom of the window once you enter the Zoom meeting, click "rename" button, enter child's name, and press "ok")
- All participants will be muted upon entry into the dance class/Zoom meeting. We ask that during the class you stay muted to avoid any background noise, but we will make sure we have some time in the beginning and the end of class to say hi to everyone and for our dance friends to say hi to each other!
