

We are so excited to kick off our 2019-2020 Season!

Ideally for ages 2.5 - 5, our 35 minute energetic class each week teaches dance fundamentals while incorporating activities that will help improve your child's balance, coordination, concentration, and more in a gleeful, spirited environment. Your kiddo will love coming home to show you their new dance steps and we are excited to help them spark a passion for dance!
