

April Showers

Below is an outline of what we will be doing and learning in this video dance class.

Intro/ Welcome

Welcome to our online dance class! We will talk a little about what we are learning in this week's class!

Stretch & Learn

We're going stretch to some of our favorite class songs. We even added a fun 'Focus Stretch'

Main Activity

In this week's class we are using our printable props to practice Spring themed dance steps, and you'll even come up with one of your own, too!

Across The Floor

We will be using our Spring themed steps to create mini combos to do across the floor.

Choreography

During the month of April we will be learning a choreography piece. We will learn a little of the dance in each class, and complete it in our final class of the month.

Extras

Create Your Own Spring Themed Step
